

EUROTOX2016

seville

Protecting public and environmental health by understanding and communicating toxicology"

52nd European Congress of the
European Societies of Toxicology
04-07 September 2016 / Seville

2016 EUROTOX Seville Scientific Programme

Sunday, 4 September 2016

08.00 - 19.00	Congress Registration				
10.00 - 14.30	Continuing Education Courses (CECs)				
10.00 - 12.00	Morning session CEC 1-2-4-5-6 / Including Coffee Break at 11.00-11.45				
	<p>CEC 1 – PARIS <i>Sponsored By ELSEVIER</i> Integrative approaches for safety assessment: From theory to practice using skin sensitization as an example</p> <p>Chairs: J. Ezendam & L. Rossi</p>	<p>CEC 2- MADRID Toxicokinetics</p> <p>Chairs: N. Claude & B. Jorgensen</p>	<p>CEC 4- BRUSELAS CD Evaluation of food additives in Europe: Point of the art</p> <p>Chairs: C. Roncanciopena & D. Parent Massin</p>	<p>CEC 5- BRUSELAS EF In vivo chemical genotoxin exposure and DNA damage in humans measured using the lymphocyte cytokinesis-block micronucleus (CBMN) assay</p> <p>Chairs: M. Fenech & N. Holland</p>	<p>CEC 6- BRUSELAS GH Green toxicology - A complementary 'quanon' activity for the sustainable development of chemicals and drugs in the 21st century</p> <p>Chairs: H. Krug & B. Karahalil</p>
12.00 - 14.00	Lunch Break				
13.30 - 14.30	Afternoon session CEC 1-2-4-5-6				
	<p>CEC 1 – cont.- PARIS <i>Sponsored By ELSEVIER</i> Integrative approaches for safety assessment: From theory to practice using skin sensitization as an example</p> <p>Chairs: J. Ezendam & L. Rossi</p>	<p>CEC 2– cont.- MADRID Toxicokinetics</p> <p>Chairs: N. Claude & B. Jorgensen</p>	<p>CEC 4– cont.- BRUSELAS CD Evaluation of food additives in Europe: Point of the art</p> <p>Chairs: C. Roncanciopena & D. Parent Massin</p>	<p>CEC 5 – cont.- BRUSELAS EF In vivo chemical genotoxin exposure and DNA damage in humans measured using the lymphocyte cytokinesis-block micronucleus (CBMN) assay</p> <p>Chairs: M. Fenech & N. Holland</p>	<p>CEC 6 – cont.- BRUSELAS GH Green toxicology - A complementary 'quanon' activity for the sustainable development of chemicals and drugs in the 21st century</p> <p>Chairs: H. Krug & B. Karahalil</p>
16:00	Opening of the Exhibition				
17.00 - 19.00	<p>Opening Ceremony- AUDITORIUM I President of EUROTOX President of the EUROTOX 2016 Congress and Chair of Local Organising Committee EUROTOX Merit Award</p>				
18.00 - 19.00	<p>Opening Lecture- AUDITORIUM I T. Dalkara-Turkey: Nanomedicines for Neurological Disorders</p>				
19.00 - 21.00	Welcome Reception – EXHIBITION AREA				

EUROTOX2016

seville

Protecting public and environmental health by understanding and communicating toxicology™

52nd European Congress of the
European Societies of Toxicology
04-07 September 2016 / Seville

Monday, 5 September 2016				
08.00 – 19.00	Congress Registration		08.30 – 18.00	Exhibition
08.30 - 09.30	Keynote Lecture- AUDITORIUM I Russell S. Thomas-USA: Evolution of Computational Toxicology: From Primitive Beginnings to Sophisticated Application			
09.30 - 10.00	Coffee break / Exhibition & Poster Viewing			
10:00 - 12:00	Symposium 1- AUDITORIUM II Adverse Drug Reactions: Mechanisms and Preclinical Testing Chairs: H. Orhan & F. Guengerich	Symposium 2- AUDITORIUM III A multidisciplinary approach for novel developmental neurotoxicity risk assessment contributing to the AOP concept Chairs: E. Vilanova & A. Price	Workshop 1- MADRID Enhancing the quality of predictions for developmental toxicity based on alternative methods Chairs: B. Ravenzwaay & A. Piersma	Workshop 2- PARIS Improving chemicals risk assessment with refined exposure characterisation Chairs: J. Bridges & H. Greim
	Lunch/ Exhibition Viewing		Poster Session I – POSTER AREA	
12.00 - 13.00	HESI lecture- AUDITORIUM II HESI CITE Lecture 2016 – Martin van den Berg-The Netherlands: The use of in vitro models: On the road from hazard to risk assessment			
13.00 – 14.00	Glyphosate Task Force (GTF) Symposium - AUDITORIUM I		HESI roundtable discussion: ‘The use of replacement in vitro models in risk assessment’-Bruselas Room GH	
14.00 - 16.00	Symposium 3- AUDITORIUM I Microbiome, nutrition, and immune-mediated diseases Chairs: B. Yucesoy & M.Pallardy	Workshop 5- AUDITORIUM II Rat Carcinogenicity Studies - Can they be replaced? Chairs: T.Weiser & R. Roberts	Symposium 5- AUDITORIUM III The H2020 EU-ToxRisk project: a novel flagship program for mechanism-based safety sciences and risk assessment Chairs: H. G. Kamp & J. Mirana	Workshop 3- MADRID Mass Spectrometry Imaging as investigative tool for molecular toxicology Chairs: S. Platz & R.Goodwin
	Workshop 4- PARIS Protein targets of reactive intermediates linking chemistry to biology and toxicological outcome Chairs: A. Mally & H. Orhan			
16.00 - 17.00	Coffee break / Exhibition & Poster Viewing			
17.00 - 19.00	Symposium 6- AUDITORIUM I Nanosafety: Present and future Chairs: J. Ezendam & F.R. Cassee	Symposium 7- AUDITORIUM II Safety aspects of natural compounds in dietary supplements. Chairs: R. Pieters & M.van Duursen	Symposium 8- AUDITORIUM III Endocrine disrupting chemicals and immune implications Chairs: E. Corsini & M. Pallardy	Symposium 4- MADRID DNA damage and repair in cancer: from bench to clinic Chairs: M. Dizdaroglu & S. Szen
	Workshop 6- PARIS Use and misuse of the TTC concept in risk assessment Chairs: D. Schrenk & H.Kandarova			
19.30 – 21.00	AstraZeneca Reception-by invitation only NH COLLECTION HOTEL			

EUROTOX2016

seville

Protecting public and environmental health by understanding and communicating toxicology

52nd European Congress of the
European Societies of Toxicology
04-07 September 2016 / Seville

Tuesday, 6 September 2016

08:00 - 18:30	Congress Registration	08.30 – 18.00	Exhibition
08.30 - 09.30	Bo Holmstedt Memorial Foundation (BHMF) Lecture - AUDITORIUM I Marcel Leist-Germany: Assessment of functional impairment and transcriptome changes based on human stem cell derived developmental toxicity tests		
09:30 - 10.00	Coffee break / Exhibition & Poster Viewing		
10.00 - 12.00	Symposium 9- AUDITORIUM I Integrating epidemiology and experimental toxicology to improve pesticide risk assessment Chairs: A. Tsatsakis & A. Hernandez-Jerez	Workshop 7- AUDITORIUM II Application of human-based system toxicology for preclinical safety assessment of pharmaceuticals Chairs: R. Stierum & G. Groothuis	Workshop 8- AUDITORIUM III Safety requirements for biosimilars Chairs: N. Başaran & S.Şardaş
12.00 - 13.00	SOT/EUROTOX Debate- MADRID Ruth A Roberts & Thomas Monticello- Preclinical (Safety) Toxicology Testing Predicts the Clinical Outcome		Poster Session II- POSTER AREA
13.00 - 14.00	Lunch Break/ Exhibition Viewing	Industry-sponsored Symposium (Organovo)- PARIS	
14.00 - 15.00	Keynote Lecture- AUDITORIUM I M. Ozturk-Turkey: Genetics and epigenetics of liver cancer		
15.00 - 16.00	Coffee break Sponsored by ELSEVIER / Exhibition & Poster Viewing		
16.00 - 18.00	Oral Communication Session 1- AUDITORIUM I (10 min presentations) 11 oral presentations Chairs: E. Ozcagli & E. Corsini	Symposium 10- AUDITORIUM II Current state of scientific issues in risk assessment of endocrine disruptors and reproductive toxicants Chairs: H. Gurer-Orhan & A. Soto	Oral Communication Session 2- AUDITORIUM III (10 min presentations) 11 oral presentations Chairs: S.Sabuncuoğlu & P. Texeria
	Oral Communication Session		
20.00	Gala Dinner- MONASTERIO MONTE CARMELO		

EUROTOX2016

seville

Protecting public and environmental health by understanding and communicating toxicology"

52nd European Congress of the
European Societies of Toxicology
04-07 September 2016 / Seville

Wednesday, 7 September 2016

08:00 - 14:00	Congress Registration		08.00 – 14.00	Exhibition
08.00 - 09.00	Keynote Lecture – AUDITORIUM I H.Foth-Germany: Precautionary principles in risk management of chemicals and expectations on toxicologists			
09.00 - 11.00	Symposium 11- AUDITORIUM II Reflections on the application of “chemical-specific adjustment factors” (CSAF) in quantitative risk assessment Chairs: R.Brown & B.Meek	Symposium 12- AUDITORIUM III Integration of in vitro systems to predict toxicity from repeated exposure Chairs: M. Yoon & B. Blaauboer	Symposium 13- MADRID Toxicology of organophosphorous nerve agents (OPA) as the chemical weapons Chairs: M. Balali-Mood & S. Khateri	Workshop 9- PARIS Deciphering the role of the aryl hydrocarbon receptor in toxicity and its emerging functions in physiology Chairs: J. Vondracek & D. Schrenk
11.00 - 11.30	Coffee break			
11.30 - 13.30	Symposium 14- AUDITORIUM I The impact of complexity on chronic disease from exposure to treatment Chairs: A.E. Karakaya & S. Bonassi	Symposium 15- AUDITORIUM II New insights into the toxicity of the commonly used pharmaceuticals Chairs: M. Wilks & H. Wallace	Symposium 16- AUDITORIUM III Risk assessment of metals via inhalation: Challenges and new developments Chairs: S. Verougstarete & Y. Duydu	Workshop 10- MADRID Design and interpretation of testing according to the extended one generation reproductive toxicity study for regulatory use Chairs: R. Hunziker & B. Hubesh
13.30 - 14.00	Closing Ceremony- AUDITORIUM I President of the EUROTOX 2016 Congress and Chair of Local Organising Committee President of EUROTOX Poster Awards ceremony President of the EUROTOX 2017 Bratislava Congress and Chair of Local Organising Committee
