

EUROTOX2016

Seville

"Protecting public and environmental health by understanding and communicating toxicology"

ESTIV (European Society for Toxicology in vitro) Award

The winners will be selected according to these criteria:

1. Originality and potential impact of the research project
2. Adequacy of the methodological approach adopted
3. Scientific value of the results
4. Care, quality and clarity of the presentation

An initial selection of finalists will be made, based on careful review of the abstracts. Final evaluation will take place at the congress site.

Award Condition

There is no age limitation for the ESTIV award.

Award Criteria

- The ESTIV award will be given for the best poster presentation in the categories: "Emerging in vitro Models" and "Computational Toxicology"
- The winner will be selected based on scientific merit as judged by a committee assigned by the ESTIV scientific board
- The winner will be the presenting author of the selected poster.
- The winner (or a clearly assigned representative) must be present at the EUROTOX closing ceremony, where the award will be given

ESTIV Award for in vitro/in silico Toxicology

- The winner will receive 500 EUR (per bank transfer after the congress)
- The winner will be entitled to one year (2016) free ESTIV- membership, with all its benefits
- The winner must contact the ESTIV treasurer (treasurer@estiv.org) after the congress to claim the award.
